

## WEEKLEY PARISH COUNCIL

### RECORD RETENTION POLICY

The Parish Council recognises that efficient management of its records is necessary to comply with its legal and regulatory obligations and to contribute to the effective overall management of the Parish Council.

#### Scope

Applies to all records (electronic or paper) created, received, or maintained by the Council. Records are defined as all those documents which facilitate the business carried out by the Parish Council and which are thereafter retained (for a set period) to provide evidence of its transactions or activities. Some records may be selected for permanent archival purposes and for historical research.

#### Responsibilities

- Clerk: Overall policy responsibility
- Records Officer (Clerk): Guidance, compliance, and retrieval
- Councillors/Staff: Maintain and dispose of records in accordance with policy

#### Retention Schedule

Under the Freedom of Information Act 2000, the Parish Council is required to maintain a retention schedule listing the record series which it creates during its business. The retention schedule lays down the length of time which the record needs to be retained and the action which should be taken when it is of no further administrative use. The Clerk is expected to manage the current record keeping systems using the retention schedule and to take account of the different retention periods when creating new record keeping systems.

Document	Minimum Retention	Reason
<b>Minutes</b>		
Minutes of Council meetings	Indefinite	Archive
Minutes of committee meetings	Indefinite	Archive
<b>Employment</b>		
Staff contracts	6 years after leaving	Management
Payroll info	6 years + current year	HMRC
